

Internship Opportunity: Exploring Vi Agroforestry's Expansion Beyond Eastern Africa

Are you passionate about sustainable development and eager to make a difference in the world? Vi Agroforestry is looking for a dedicated intern to join our team and support our mission of promoting agroforestry practices for sustainable development across Eastern Africa and beyond.

Internship Title: Exploring Vi Agroforestry's Expansion Opportunities Beyond Eastern Africa

Intern Worksite Location: Flexible - to support Regional Office, Nairobi.

Length of Internship: 8 - 12 weeks (March 2024 – June 2024)

Role Overview: As an intern with Vi Agroforestry, you will have the unique opportunity to work closely with our regional office team to explore expansion opportunities beyond Eastern Africa. You will conduct research, analyze data, and assist in the development of strategies to identify potential expansion opportunities for Vi Agroforestry outside of Eastern Africa.

Key Responsibilities:

- Conduct research on potential target regions and countries for Vi Agroforestry's expansion beyond Eastern Africa.
- Analyze socio-economic, environmental, and market factors to assess the feasibility and suitability of target countries/regions.
- Assist in mapping out key stakeholders, partners, and potential funding sources in target regions.
- Support the development of strategic approaches and proposals for expansion, including partnership strategies.
- Collaborate with internal teams to gather and synthesize relevant data and information for decision-making.
- Contribute to the preparation of reports, presentations, and other communication materials as needed.

Qualifications:

- Currently enrolled in a relevant undergraduate or graduate program (e.g., International Development, Environmental Studies, Business Administration).
- Strong research and analytical skills, with the ability to gather, interpret, and present data effectively.
- Excellent written and verbal communication skills, with attention to detail.
- Working knowledge of French or Spanish is an added advantage.
- Proactive and self-motivated, with the ability to work independently and collaboratively in a multicultural team environment.
- Proficiency in MS Office suite and familiarity with data analysis tools/software is preferred.
- Interest in agroforestry, sustainable development, and international affairs is an asset.

How to Apply: To apply for this internship opportunity, please submit your resume, cover letter, and any relevant work samples to recruitment@viagroforestry.org by **22nd March 2024**.
