

Vi Agroforestry

Invitation for Pre-qualification of suppliers for Goods and Services 2025-Vi Agroforestry Tanzania

About Vi Agroforestry

Vi Agroforestry is a Swedish development organization, improving livelihoods of smallholder families through agroforestry and sustainable agriculture land management. The organization has been working in East Africa for over 35 years. Through training, counselling, and networking, Vi Agroforestry has reached over 2.4 million people and helped to plant 125 million trees. The Vision of Vi Agroforestry is sustainable environment enabling people in poverty to improve their lives. Vi Agroforestry operates in three countries: Tanzania, Kenya, and Uganda.

What are we looking for?

Vi Agroforestry Tanzania intends to establish a database of pre-qualified suppliers for goods and services for year 2025. All potential eligible suppliers are invited to apply for pre-qualification of vendors, indicating the category of goods and services which can be supplied.
