

Vi Agroforestry

CONSULTANCY OPPORTUNITY AGRIBUSINESS AND VALUE CHAIN DEVELOPMENT

About Vi Agroforestry

Vi Agroforestry is a Swedish development organisation committed to improving the livelihoods of smallholder farmer families through agroforestry and Sustainable Agriculture Land Management (SALM). With over 40 years of impactful work across East Africa, Vi Agroforestry has transformed the lives of over 2.8 million people and supported the planting of more than 156 million trees. Through innovative, sustainability-focused initiatives, the organisation enhances food security, increases incomes, and builds resilience against climate change.

What Are We Looking For?

Vi Agroforestry is seeking a consultancy to deliver expert services in:

- Agribusiness development and capacity building.
- Financial literacy training and support.
- Value chain enhancement and market linkages.
- Private sector engagement.
- Trade facilitation and compliance.

The consultant will play a crucial role in strengthening smallholder farmers and member-based organisations, driving sustainable economic growth and resilience.

Why Work With Us?

This consultancy offers an opportunity to make a meaningful impact by contributing to transformative projects that empower farmers and reshape the agricultural landscape in East Africa.
